I will be letting you guys ‘into’ these events about to happen soon! I am doing this for you guys, and I wanted to let you know about it. There’s going to be a Senate Hearing as well.

Senate Meeting

“What are they Hiding?

“Global Failures, Transparency and building an action plan”

I am so sorry for my non-daily presence but there’s just too much corruption on the go from health policy amendments to retractions of recent works. I promise to update you all soon!

Love to you all! :)

Here’s a link to the website where you can watch the testimonies. Just click on the photo.

No apologies needed, Jess. You're indefatigable in following the rampant nonsense, and we know that. Just please stay safe as you do this work!

This is one of the emails I received the other day. I get hundreds daily, and I am hearing you all.

This particular note spoke loudly to me and this lovely person gave me permission to share her words.
